You should just avoid Illinois at ALL costs.

Other than Chicago style pizza nothing of good has come from illinois ever(unless Giordanno's originated in illinois, i believe they DIDN'T, but the Italian beef is worth making an exception) .

Fucking bridge was out when I went west last summer. Had no choice by to go through Illinois with a gun on my bike's tank. Went exactly the speed limit and did not stop. 180 miles non-stop. Fuck that place.

Nah, Illinois is red state other than Chicago. Guessing he will pass south of Illinois, but southern part is deep red.

There's a decent BBQ place outside Little Rock. Pretty good spot to grab some grub and stretch the legs.

My journey much shorter but been preparing all day, not a fighter but gearing up to aid those on the street if necessary to document, mend, feed, and quench those in need.

No problem. I don't use the the targeting computer anyway... It's not impossible. I used to bullseye womp rats in my T-16 back home, they're not much bigger than two meters.

Im not American. Wish I was. You are the most impressive of humans. Maybe not in every single way, but all the ways that matter. And that is not about race but rather, about Traditional American Idealism. Manifest Destiny was never Globalists taking over, it was the USA leading by example.

Right now, your leading by example.

Godspeed American Patriot!!

If you stop in Memphis along the way, eat at Central BBQ

Several locations: this is one: 2249 Central Ave, Memphis, TN 38104-5507

Well, on second thought, don't stop in Memphis...

Stop and eat at Hattie B's Hot Chicken, you wont regret it. It's a little more "in town" so if you want somewhere quieter and more low key get off at the Mcrory lane exit and go down to Loveless Cafe.
